

Technical Specification

Static Dissipative Clear Binders
Our ref: 48025 and 48026

Permanently static dissipative PVC binder

Made of inherently static dissipative polymer

Recyclable

Standard print: ESD Symbol, recycling symbol and batch number

Typical surface resistance $R_{p-p} = 10^9 - 10^{10}\Omega$

Two spine colour options:

Blue . our ref: 48025

Yellow . our ref: 48026
